The Pentecostal Ethic and the Spirit of Development
November 19th, 2019 - Abstract The practice and discipline of development was founded on the belief that religion was not important to development processes. As societies developed and modernised, it was assumed that they would also undergo a process of secularisation.

PENTECOSTALISM AND DEVELOPMENT: CHURCHES, NGOS AND SOCIAL CHANGE IN AFRICA

Dena Freeman Pentecostalism and economic development in Sub-Saharan Africa Chapter 8 for Routledge Handbook on Religions and Global Development By Dena Freeman Introduction Up until the 1980s, scholarly thinking about development was largely focussed on macro scale economic matters – it was just a case of getting the right economic structures in place.

'Is Pentecostalism Doing More for Africa's Poor than...'

September 22nd, 2019 – With its noisy churches and high profile media presence Pentecostalism is religion writ large and exciting. Dramatic claims are made – for example that it is 'redrawing the religious map of the world' Dena Freeman’s edited volume tackles head on whether this is good or bad for development.

'Pentecostalism in Ethiopia'

December 3rd, 2019 - Dena Freeman an anthropologist found how a large majority of people in a rural district in...
Ethiopia’s southern highlands converted to Pentecostalism in the early 2000s. The individualism taught by the religion encouraged a boom in businesses in part because it freed people from traditional obligations to share their wealth. In an introduction to a recent volume on Pentecostalism and Development, Dena Freeman also leans toward the celebratory 2012 Pentecostals have a “holistic ontology” that “recognises the social and cultural reality in which people live” in marked contrast to “secular ideologies of development.”
